Modest Means Client Agreement

___ I certify that I meet the income guidelines for eligibility with the Orange County Bar Association's Modest Means Panel. I may be required to verify my income to the attorney in which I am referred. If the attorney discovers that I do not meet the eligibility requirements for the Modest Means Panel, they are no longer required to offer their services at the discounted rate and will reserve the right to withdraw from the case. I will also owe the difference in fee amounts for any work previously completed by the attorney. The attorney reserves the right to withdraw from the case after 30-hours of work has been completed.
